

Clinical Nursing Instructor – Adjunct Position

Responsibilities:

Silver Lake College is seeking applicants for a Clinical Nursing Instructor to teach in the nursing program. The clinical instructor is responsible for providing instruction to students in the clinical environment, including evaluation of student achievement. The clinical instructor is responsible for connecting the classroom material and its real-life application and for accommodating the varied learning styles and paces of clinical students.

Minimum Qualifications:

The Clinical Nursing Instructor must satisfy the following minimum qualifications:

1. Master's degree in nursing required; and
2. Previous teaching experience preferred; two years of full-time clinical experience in the area/areas of teaching responsibility; knowledge and skills related to teaching adults, teaching methodology, curriculum development, evaluation, or willingness to plan for acquisition of these skills no later than the first year of teaching; and
3. Current/unencumbered RN license in Wisconsin; current healthcare provider CPR.

Skills and Attributes:

The Clinical Nursing Instructor must possess the following skills and attributes:

1. Excellence communication and interpersonal skills are required.
2. Candidates must also have the ability and willingness to support the Mission of the College and to work collaboratively and collegially.

Application Instructions:

Applicants are asked to submit a cover letter, curriculum vitae or resume and the names of three references to human.resources@sl.edu. While we appreciate every applicant's interest, only those under consideration will be contacted. Silver Lake College is an Equal Opportunity Employer.

If you have questions about the program or about course or delivery format, please contact Brianna Neuser at Brianna.neuser@sl.edu or 920-686-6213.
